

Editorial Index

Shopping Center World

Volume 14-1985

Numbers 1-13

Editor's Note: This year's index covers editorial material from the January 1985 through the December 1985 issues of Shopping Center World.

Each feature article and column is indexed three ways: by exact title as published, under an author subject heading, and by individual author. Each entry is followed by the month of the issue and the page number of the issue in which the material was published.

All "Dir" listings refer to the August 15, 1985, 10th Annual Product and Service Directory.

All listings preceded by "S" refer to the articles in the survey of chain store expansion plans supplement found in the December 1985 issue.

TURN AROUND MANAGEMENT IS OUR SPECIALTY

Our expertise is in creatively and profitably turning around sick shopping centers.

If your present management claims its problems are vacancies, competition, or outdated facilities, we say the problems can be solved.

We are successfully managing 52 centers in 18 states and can turn yours into a profitable operation.

Give us a call and we'll be happy to send you FREE case histories of innovative "turnaround" management.

Intershop HFA Management
